Dear Friends and family,

The attached invite is in honor of our son, Jacob. As you may or may not know he passed away while finishing up college on March 2nd, 2009 of SUDEP, (sudden unexplained death in epilepsy).

Last year was **outstanding!!** We had over 200 people playing, volunteering and just came for support... Thanks to you, we raised over \$7,000.00 in 2010 for our continued fight against SUDEP. Our theme this year is "SUDEP SUCKS".....I know it's sounds abrasive, but we hate SUDEP and we are going to do everything we can to eliminate it. This year we are again teaming up with the Epilepsy Foundation with a goal to send as many kids to Camp Oz with the Jacob Knapp scholarship fund. We are also teaming up with the Danny Did Foundation and its mission to prevent deaths caused by seizures. Mike and Mariann Stanton, whose 4 year old son Danny died from SUDEP in Dec. 2009. Their goal is the same as ours; raising awareness of SUDEP, enhancing communication between doctors and families. Through Danny Did we learned of a device called the Emfit Monitor that may assist in detecting and preventing deaths caused by seizure. We are teaming up with them to help provide families in need of these devices so parents will feel more at ease by having their children be able to sleep in their own beds. "Danny Did is proud to have Kari and Dennis Knapp as its Regional Liaison in Minnesota." (www.DannyDid.org)

Changes this year is a SHOTGUN START at 1pm...everyone tees off at the same time. This will speed things up in the clubhouse for food and prizes. New golf course, new games (don't worry, marshmallow long drive will remain) so get ready to have fun !!!!

Please fill out the remittance slip with your name and contact info. This event is a 4 person scramble, with games at various holes. (So bring your bucks for bets) If you are a one or two person participant you will be paired up. **(This event filled up last year...so please mail early!)**

Ever since Jake was a little boy he wouldn't go bare foot (not even at the beach), he always had to wear socks and sandals. This continued into adulthood and we believe became a badge of honor for Jake.

***Hence, the Socks and Sandals Golf Tourney. ***

This is for fun so we encourage every golfer to wear socks and sandals.
